At Mara-Mi, we are passionate about fabulous products and serious about good design. We are a collective of artists, designers and entrepreneurs who believe that delight is found in the details. Our products are purposefully tweaked to cultivate fun and frivolity in your everyday life.

Our story began over 30 years ago with a mission to bring artistry and beauty to life’s celebrations and ordinary moments. We embrace this mission as we continue to create products with a touch of whimsy and dash of function for you to indulge in, adore and share.

We work hard so you can be playful.
